DIRECTIONS

To assemble your activity:

1. Print the puzzles on cardstock for durability.
2. Laminate each sheet to make them long-lasting and reusable.
3. Cut along the dotted lines to separate the puzzle pieces.
4. Store each puzzle set in individual baggies or secure them with rubber bands to keep the pieces organized.

Teaching Directions:

Lay out the puzzle pieces on the table and ask your student to arrange the numbers from 1 to 10 in order to reveal the ocean scene.
